Olympia Maritime Academy

We have established the Academy named Olympia Maritime Academy

The goal is to set up a Maritime Academy that provides world class facilities and professional faculty to the students, making the pathway to a career in Merchant Navy easier to tread. The academy ensures that the students will have the most marketable and relevant skills needed for the Marine industry.

Qualified and Experienced Faculty:

Good teachers make great students. Hence, the teachers of the Academy are selected after much deliberation and debate. They are mostly from the Maritime industry itself. They have experience which helps them guide students and set up real expectations.

Placement Assistance:

The Academy also offers placement assistance to its pass outs. So, we don't just help with education but the aim at employability and employment.
